In the event of a School Closure

Here's the procedure in the event of a snowstorm or bad weather!

School closure may occur in situations that could pose a danger to the health or safety of students and staff.

According to policy P-1101 and the accompanying administrative directive (DA-1101), the closure of one or more schools is an emergency situation (severe weather, power or heating failures, lack of running water, fire, poor road conditions).

Communication strategies

- ✿ An emergency message will be sent via School Messenger. All parents will receive an email and a phone call. You can also opt to receive a text message.
- ✿ An announcement will be made on the school website at <https://colibris.csf.bc.ca/>.
- ✿ We also ask you to listen to the following radio stations every morning starting around 6:45 a.m. for the latest information on school closures or school bus cancellations:
 - Radio-Canada local French-language radio at 97.7 FM
 - Local Radio: Vancouver - AM 980 - CKNW
- ✿ Information will also be posted on the CSF website and social media at <https://www.csf.bc.ca/>

➔ During a school closure, we ask parents to keep their children at home, as staff may have difficulty getting to work.
